PREFACE

Compiling a family History is a rather complicated task. It entails much research in Court Houses, Libraries and Historical Societies. It involves endless correspondence with many distant members of the family; talks with various older people; delvings into dim memories of the past; and visits to countless old, long-forgotten cemeteries.

We wish to thank everyone who has so patiently aided us in our effort to write this history. There may be errors but we have recorded everything as nearly accurate as possible from various sources of information. We hope you enjoy reading it as much as we have enjoyed writing it.

THE WHISLER FAMILY

HENRY WISLER

Henry Wisler (Whisler) came from Lancaster County, Penna in 1806 and settled in Salt Creek Township Pickaway, County, Ohio. Here he purchased over 1100 acres of land at \$5.00 per acre in the east part of the Pickaway Plains, a lovely valley almost completely surrounded by hills. He brought with him his wife, Anna, and ten children.

According to Van Cleaf's History of the County, published 1906, page 123, the first man to enter Salt Creek Township was John Shoemaker of Berks County, Penna. He came to Pickaway County in 1801 and a land patent was issued to him in 1802. He went back to Penna. but returned in 1806 with his family. Henry Wisler (now spelled Whisler) came in 1806 with several other families including those of Abraham Dreisback and Abraham Heffner.

We have no way of proving that any of the following information pertains to our ancestor, Henry Whisler, but with the idea it may prove of value to any future research, we will insert it here.

We know nothing of the early life of either Henry Wisler or his wife, Anna. We do know, however, that there were Wislers who came from the Palatine region in Germany as early as 1733. According to "Penna. German Pioneers," by Strassburger, Vol. 1 (See Vol. 3 for index). The following Wislers entered the United States at the Port of Philadelphia.

Ulrig Wisler	1733
Henrich Wisler	1737
Hans Wisler	1738
Phillip Wissler	1752
Johan Casper Wissler	1752
Johan Michael Wissler	1752
Johan Wolf Wissler	1752

Whether Henry Wisler belonged to one of these families of emigrants or whether he was born in this country we do not know. However, according to "Portrait and Biographical Record of Allen and Van Wert Counties, Ohio", published by

A. W. Bowen & Co., Chicago, in 1896--"The Whisler family is of sturdy german stock" and also Henry Whisler "lived to be about 85 years old." His will was probated in 1832 so we assume that he was born some time around 1747.

In searching old histories in the Lancaster, Penna. Public Library, we found only one sentence pertaining to a Whisler. In "Lancaster County, Penna., a History", by H. M. J. Klein, published in 1924, Vol. 2, Page 112 under "Donegal Township" in the section entitled "Other Settlers Prior to the Revolution" was the following sentence -- Benjamin Whisler, John Neesley, Peter Rutt, Jacob Boyer and David Coble owned adjoining farms."

Then in the Recorder's Office in Lancaster, Penna., we could find no land transaction by Henry Wisler (or Whisler) but in a microfilmed record, G3-180, of the sale of land by Benjamin Whisler and wife Magdalen to George Whisler on Nov. 2, 1799, the land was described as located in Donegal Township "Beginning from a stone in the road from Lancaster to Elizabethtown.....to a big hickory tree.....thence north to the Henry Whisler farm.....etc. etc."

There is a hill in Columbia, Penna., a small town west of Lancaster, which is called Whisler Hill.

We found, however, that in the early days many land transactions especially between members of a family were not recorded.

In the volume, "Heads of Families, 1st Census, 1790" by the U.S. Census Bureau we find a Henry Wissler in Donegal Township was the head of a family. It listed one free white male over 16 (Himself), one free white male under 16 and two white free females. If this was our ancestor Henry Wisler, then his son Michael born 1789 would have been one year old and the two females would have been his wife and a daughter older than Michael or perhaps a grandmother living with the family.

There is much confusion in the spelling of the name

of Whisler. Henry, in his will written in 1831, signed it Wisler, in his own hand writing. In other legal documents it is sometimes spelled Wissler. Later it is spelled Whisler. You can find all three spellings in Prairie View Cemetery just west of the village of Whisler which is southeast of Circleville. Here Henry and his wife Anna were buried. This cemetery was a family burial ground until about 1859 when the church was organized, a Board was elected to take charge of the Cemetery. It is a well kept cemetery up on a hill overlooking the plains. The flat level land lying south of the little town of Whisler named for this pioneer family, is the land once owned by Henry Wisler. (Mr. Walter Parker now owns it and lives there.)

"Biography of Henry Wissler"

"Henry Wissler came from Lancaster County, Pennsylvania with his family consisting of his wife and ten children in August, 1806. He had purchased previously over eleven hundred acres of land of John Shoemaker in the south west part of the township for which he paid five dollars per acre. He moved into a cabin which stood just across the road from where the residence of Sam Wissler now stands, and which was occupied by a squatter family by the name of Sweigert. In a few months Mr. Wissler built a two story log house on the location of the former shanty, and resided there until his death about 1830. His wife died in 1811. One child was born to them after their settlement. To each of his eleven children he gave one hundred and five acres of land. There are eight surviving children.

Henry, lives in Iowa. George in Illinois, Barbara (now Mrs. Weldy) in Indiana, Samuel resides in this township, section 32. He married Margaret Bunn and has five children, one being deceased. Jacob also lives in Saltcreek, Magdalene (now Mrs. Biechler) in Iowa. Mary (Mrs. Wolf) in Marion, County. Michael who is deceased married Rebecca Vangundy, and after living several places settled where his son, Amos, now lives and resided there until his death, June 30, 1865, aged seventy-five years. His wife preceeded him a few years. They had a family of ten, seven of whom are living."

WILL OF HENRY WISLER

In the name of God Amen. I, Henry Wisler of Pickaway County in State of Ohio, being in perfect health of body and of sound and disposing mind, memory and understanding, considering the certainty of death, and the uncertainty of life, and being desirous to settle my wordly affairs, when it shall please God to call me hence, do therefore make and publish this my last will and testament in manner and form following. That is to say first, I will, order and direct, that my funeral charges and just debts be fully paid and satisfied, so soon after my decease as may be. Secondly, having heretofore to wit, on the first day of July, 1826 executed deeds of conveyance for my lands and real estates in favor of my sons and daughters (the youngest except) which said deeds I still hold not having delivered any of them to my children, in whose favor they are several executed.

I therefore will and order that the said deeds of conveyance at my decease pass into the hands of those of my sons and daughters respectively for whose benefits they were severally executed and the lands and premises thereby conveyed, be the property of those named in each particular deed. Thirdly I order and direct immediately after my decease, the following of my sons and daughters to pay to my daughter Catharine Wirline, wife of Isaac Wirline, one hundred and twenty-five dollars (in order to make said Catharine's portion equal to) of said sum I order my sons, Michael to pay twenty-five dollars. John, eight dollars, Henry, fifteen dollars, George, fifteen dollars, Samuel, twenty-five dollars and Jacob, ten dollars and my daughter Barbara Welty, widow, ten dollars. Anna Van Gundy, ten dollars, Magdalena Biegler, twelve dollars. Item. I further order and will that my son Samuel pay my youngest daughter Mary before the first day of July, 1835 which said sum I bequeath her as her full share and proportional part of my real estate.

I devise and bequeath all the rest and residue of my

estate both real and personal unto my sons, Michael, John, Henry, George, Samuel and Jacob Wisler and my five daughters Barbara Welty, Anna Van Gundy, Magdalena Biegler, Catherine Wirline, and Mary Wolfe to be equally divided among them, share and share alike, and lastly I do hereby constitute and appoint my son Michael Wisler to be sole Executor of this my last will and testament, revoking and annulling all former wills by me heretofore made ratifying and confirming this, and none other, to be my last will and testament.

In testimony whereof, I Henry Wisler have hereunto this my last will and testament set my hand and seal this second day of April, in the year of our Lord, one thousand and eight hundred and thirty-one.

(These records are copied into a new set of books to facilitate finding - The old original book was Vol. 2 - Page 102)

In Pickaway County Courthouse at Circleville, Ohio in the Land Patent Deed Record Book 62, Page 104 there is a paragraph entitled, "From Thomas Jefferson, President, to Henry Wisler Land Patent." It was dated July 3, 1807 and included Twp. 20 Sec. 11 and Sec. 32 NW $\frac{1}{4}$. It was recorded in 1810 when John Adams was President.

The records of Pickaway County are well organized and date back to 1810. We also found the following land transfers from Henry Wisler to his children.

Book 11-Page 87 - To Jacob Whisler 102-3/4 A.

Book 11-Page 100-To Michael Whisler 102.41 A.

Book 11-Page 448 - To Catherine Wirline 101.16 A.
Book 12-Page 12 - To George Whisler 102 A and 66 poles
Book 13-Page 424 - To Henry Whisler Jr. 102 A.
Book 16-Page 150 - To Samuel Whisler 152A and 16 poles
Book 23-Page 50 - To Barbara Welty (widow) 103.50 A.

Part of Henry Wisler's land lay in Ross County which joins Pickaway County on the south, with Chillicothe as county seat. Therefore we assume that transfers of land to his remaining children John, Anna Van Gundy, and Magdalin Biélger are recorded in that county, altho we did not have time to check there (July 1959)

Locations

To Whisler, Ohio -

Whisler is a very small un-incorporated town. Take Route 56 south-east of Circleville about 13 miles. Turn right at sign "Whisler". There is a large brick house on the left hand side of the road where you turn and immediately after you turn you cross a bridge. Go four miles

To Prairie View Cemetery -

Go through Whisler to the first road which is marked Kingston-Whisler Road. Turn left and go $\frac{1}{2}$ mile to the cemetery. It is on the right hand side of the road on top of a hill. The graves of Henry and Anna Wisler are in the N.E. corner of the old part by a tree. The grave stones are illegible but one footstone has H.W. (Verified by Earl Horn and Eliza Sheller)

To Michael Whisler Farm -

Route 180 north of Laurelville, Ohio. Turn left on Moccasin Road (about $1\frac{1}{2}$ miles out of town just past a low railing bridge.) Follow river road for about a mile and a half. On the right side of the road is a farm home with the name Lloyd Whisler painted on the barn. (1960) Across the road is the farm where Michael lived. Michael's great grandson, Lloyd Whisler now farms it.

To Belleville Cemetery -

Go southeast on Route 56 from Circleville to Adelphi. Go through the main street of town as far as you can go and turn left. Go a short distance and you will find a cemetery at the top of a hill - part of it is on the right side of the road and part is on the left side. Michael and Rebecca Whisler are buried in the old part of the cemetery on the left side of road. Their stone is a tall white column near the fence. This cemetery was badly neglected in 1959.

On Michael's tombstone-

Go home, dear friends, and dry your tears,
We will arise when Christ appears.

To Clymer Cemetery-

From the east side of Bluffton turn north on the County line Road to Union Cetrer Road. Turn right (About 5 miles.) Cemetery across from Pleasant View Church.

MICHAEL WHISLER

Michael Whisler was the oldest son of Henry Wisler. He was born in Lancaster County, Penna, and was seventeen years old when he came to Ohio with his parents in the year 1806.. He married Rebecca Van Gundy, daughter of another early settler. The following is an excerpt from Van Cleaf's History of Pickaway County. -

"Mr. VanGundy bought Simon Headley's mill on the Scioto River about 1812. He raised a large family, nearly all of whom went west. David and David Denny took charge of a flat boat load of pork from below Chillicothe to New Orleans. Both remained in the south and west."

Rebecca Van Gundy married Michael Whisler and Anna Whisler, Michael's sister married a Van Gundy. Since we could find no trace of Anna's family we may assume she went west with the Van Gundy Family. Mrs. Earl Garton of Rawson, Ohio has a sampler made by a member of the Van Gundy family. The last line worked in perfect cross stitch is, "1783-Maria Gunison".

Michael Whisler was a mill wright and a farmer. He lived on a farm on Moccasin Road near Laurelville, Ohio up on a hill across the road from the present residence of his great grandson, Lloyd Whisler. Lloyd farms the old homestead.

Michael had ten children, seven living to adulthood.

Mrs. Earl Garton has the old chest on chest which belonged to Michael Whisler. Mrs. Sarah Sunderland has a gravy boat.

Will of Michael Whisler

I Michael Whisler of the County of Pickaway of lawful age and of sound mind and memory do make and publish this my last will and testament as follows.

Item 1st It is my will that all of my just debts be first paid.

Item 2nd I give and devise all of my estate both personal and real my real estate being my home farm situated in said County of Pickaway and being the north east quarter of Section Number 24 Township 11 Range Number 20 containing 152 acres to my three sons and four daughters viz. David Whisler Anna Gresly Delilah Horn Amanda Cramer and Rachael Tobias to be divided between them that by taking into consideration the advances I have already made to each of them and with which I have charged each of them in a small book in which I have kept an account of said advances to which book reference is hereby made they shall receive equal portions of my estate share and share alike. It being my intention to divide my estate equally among my children not preferring one to another.

Item 3 It is my will that my executors receive and take charge of the share or portion of my estate devised to my said Daughter Delilah Horn and control and manage it so long as she and her present Husband George Horn live together as man and wife that they loan out the money to the best advantage upon Mortgage security with double the amount of money loaned collect the interest annually and after paying the taxes out of it pay the residue over to my said Daughter for her use and support should my said daughter Delilah Horn prefer to have the money coming to her from my estate invested in real estate in her name my Executors are hereby authorized to make such an investment of it for her and have the title made for her and under her direction and then rent the same and collect the rent annually and after paying the taxes out of it pay the residue over to her as long as she and her present husband the said George Horn live together as man and wife. After the death of the said George Horn or should they ever become legally divorced from each other then and in either of these cases my said Executors are to give my said daughter Delilah Horn full and absolute control of her portion of my estate. It being my intention simply to prevent her present husband the said George Horn from having any control of her portion of my estate. And if my said daughter Delilah Horn should die before her said husband the said George Horn whilst living with him as his wife it is my will that my Executors divide the portion of Estate in their hands devised to her as aforesaid equally among her children share and share alike. Should both of my Executors die refuse to serve or resign before the death of my said daugh-

ter Delilah Horn unless previously divorced from her said Husband George Horn or unless he should depart this life before she does I hereby authorize the Probate Court of Pickaway County to appoint a suitable person to execute the said trust in behalf of my said daughter Delilah Horn as aforesaid and that he be required to give bond and security for the faithful performance of said trust. And it is my will that said Executors be allowed no compensation for services as trustees for my daughter Delilah Horn but that they be paid for all the necessary expenses which they will incur in the management of said trust.

Item 4th I nominate and appoint my said two sons David Whisler and Amos Whisler Executors of this my last will and Testament and I hereby revoke all former wills by me made. In testimony whereof I have hereunto set my hand and seal the 12th day of June A.D. 1861.

DAVID WHISLER

David Whisler, oldest son of Michael Whisler, son of Henry Whisler, was born in Pickaway County, Ohio, where he grew to manhood. On February 19, 1846, he married Mary Ann Tobias and the next year moved to Union Township, Hancock County, Ohio. He was a very successful business man, owning over one thousand acres of land. They had ten children, eight living to adulthood; all living to be more than eighty years of age except Ada Catherine who died about

three weeks before her eightieth birthday.

The following is a sketch from The History of Hancock County, Ohio, Published in 1886.

DAVID WHISLER, Mount Cory

Born in Pickaway County, Ohio, June 2, 1821. Son of Michael and Rebecca (Vangundy) Whisler, natives of Pennsylvania and of Dutch descent, former a millwright and a farmer. They reared a family of eight children, of whom David is second.

Reared on a farm, received a limited education in the common school and has made his own way in the world. He has made farming his principal business but has worked at and dealt in everything he could see money in; he has framed and built houses and barns, both brick and wood; has contracted for public works; has also done all his own building, repairing and blacksmithing.

He has met with marked success in life, and owns several fine farms (three in Illinois) and pays more than twice as much taxes than any man in Union Township. His acres number over 1,000. Starting with \$1,000.00 Mr. Whisler has made each dollar furnish him with an acre of land. Mr. Whisler started from Pickaway County April 2, 1846 for this county, arriving on the 7th in the woods. He and his wife went to work to clear a farm of 125 acres, both working early and late.

While Mr. Whisler would be out burning logs and brush, Mrs. Whisler would be busy making new garments out of old ones for the child and so save buying new cloth and often she would be out in the clearing assisting her husband, burning brush, etc. When they went to church in those primitive days they traveled afoot or in the big wagon, not in a carriage as they do now.

Married in 1846 to Mary Ann, daughter of Benjamin Tobias, a blacksmith. Mrs. Whisler, born in Pennsylvania of Dutch descent.

Members of Evangelical Association. Republican in politics.

Mary Ann Whisler, wife of David Whisler, the daughter of Benjamin and Elizabeth Roth Tobias, was born near Reading Berks County, Pennsylvania. When she was about three years old family moved to a farm in Walnut Township, Pickaway County, Ohio. Her mother died when she was nine years old and she was raised in the home of an aunt. -----Aunt Kate Irwin in Circleville, county seat of Pickaway County.

In 1846 she married David Whisler and the young couple started housekeeping on a farm on Moccasin Road across from his father, Michael. The house was on the top of a hill, and at the bottom was a wonderful spring which flowed through a neatly built spring house which provided an ideal place for our grandmother (then only sixteen) to keep her milk, butter and other food.

The next year, on April 2, 1847, David and Mary Ann Whisler moved to a farm near Bluffton in Hancock County, Ohio. They lived in a log cabin until they could clear land and build a more permanent home. It was at this time in the loneliness of this wilderness home that grandmother learned to smoke. (We can well remember the little stone pipe she used.) The kitchen, the family room of that day, had a huge fireplace with a large "bake oven" where the many pies and quantities of bread were baked to feed the growing family. There is an old family tradition that twenty pies were baked twice a week, and pie was always on the table three times a day. The young fry of our family think this was a wonderful idea.

Grandfather David Whisler was a very religious and serious minded man, and one of his oft repeated sayings was, "A wise man smiles, but the fool laughs "Ha, Ha". Grandmother, however, was gay and fun loving, and was a merry companion to her children which compensated for the sternness of the father.

Retiring from the farm in later years, they moved to Bluffton, where they spent the remainder of their lives. They are buried in the Clymer Cemetery across the road from the Pleasant View United Brethern Church, (built in 1872), the home church of the family.

THE HISTORY OF THE TOBIAS FAMILY

The history of the Tobias Family follows much the same pattern as other pioneer American families. Fleeing the religious and political oppressions of the old world, they sought to establish a new life in the new world. Prior to the Revolution, the Tobias family settled in the beautiful rolling countryside of Berks Co. Penna. Around 1830 finding Berks County overcrowded by the rapid increase in population, and encouraged by the government, after the War of 1812, to go west, many of the family moved to the fertile plains of Pickaway County, Ohio. In a few years some of these same members of the family, lured by the call of the west, moved on to Illinois. Today the Tobias Clan is scattered throughout the United States.

In 1681 William Penn, having been given a grant of land which included all of the territory which is now Pennsylvania, began plans for immediate colonization, and before the end of the 17th century "Penn's Land" was a mecca for those of the Old World who were seeking religious and political freedom. Through the port of Philadelphia alone, according to "30,000 Names of German, Swiss, Dutch and French Imigrants in Penna. by Prof. I. Daniel Rupp, which contains a list of the heads of families arriving at Philadelphia, thirty thousand immigrants and their families poured into Pennsylvania between the years of 1727 and 1776. These included English and Welsh Quakers and Episcopalians, Swiss Mennonites, French Huguenots Scotch-Irish Presbyterians and Germans from the Palatinate area on the Rhine.

Alarmed by the great numbers flocking in from the continent, the British Crown passed a law requiring all male persons above the age of sixteen, entering the colonies to repeat and subscribe their names, or make their mark, to the following oath of Allegiance to Great Britain.

"We subscribers, native and late inhabitants of the Palatinate upon the Rhine and places adjacent, having transported ourselves and families into this province of Pennsylvania, a colony subject to the crown of Great Britain, in hopes and expectations of finding a retreat and peaceable settlement therein, Do solemnly promise, and engage, that we will be faithful and bear true allegiance to His present MAJESTY, KING GEORGE THE SECOND, and His successors, Kings of Great Britain, and will be faithful to the proprietor of

this province; and that we will demean ourselves peaceably to all His said Majesty's subjects, and strictly observe and conform to the Laws of England and of this Province, to the utmost of our power and the best of our understanding."

The first shipload to register arrived at Philadelphia September 21, 1727 on the Ship William and Sarah. William Hill was the Master. It came from Rotterdam last from Dover, England as by clearance from the offices of His Majesty's customs there. In Vol. 3, page 284 Colonial Records it is stated. "sundry of these foreigners lying sick on board, never came to be qualified."

Since the name Tobias does not appear on this Philadelphia list, we assume that George and Ludwig Tobias, brothers, from Zweibrucken, Germany, came through another port of entry or were too ill, on arrival, to register. They may have entered the port of New York and as many other immigrants who entered there, were not satisfied, and so pushed on through the wilderness to the Pennsylvania territory. The time of this settlement we do not know but in the courthouse in Reading, County seat of Berks County Pennsylvania, we found the will of George Tobias, written in beautiful german script, dated 1780 and probated in 1790. The source of information as to the place, Zweibrucken, from whence they came, is an old letter written in 1916 by J.J. Tobias of Chicago to his cousin Denny Tobias of Peoria, which states that the family originally came from Zweibrucken, South Germany. He wrote. "I talked to a clergyman of the M.E. Church, who lives in Zqeibrucken and he said that there are members of our family still living in that ancient city and the names of our family is upon the public records for several hundred years, which he saw." Zweibrucken is a town about sixty miles southeast of Trier, which is on modern English maps.

John Tobias, son of George, according to custom, inherited his father's farm located in Bern Township in Berks County. This location corresponds with family tradition which has always placed the locale of the family as west of Reading in Berks County. He was married and "Maiden name of his wife was Kline." This is another clue to identify him as our grandfather John Tobias who married Elizabeth Kline in Berks County, Pennsylvania. Family tradition also relates that in the early 1830s John, his wife Elizabeth and his family

moved to Pickaway County, Ohio. Also that he lived to be 78 years old, and that he died on his farm near Circleville, Ohio. The place of his burial we do not know, but we presume it to be in the Cemetery of Emanuel Church, 3 miles west of Renggold, near Circleville, Ohio. This was the church he helped establish.

John and Elizabeth Kline Tobias had nine children, all born in Pennsylvania, and as far as we know, were grown and married before they went to Ohio. We found no land record in Pickaway County, Ohio, for John Tobias Sr. His sons Peter and David bought land there in 1832. Benjamin moved there in 1833 and with his sister Elizabeth, who married Wm. Hartmen, bought land in 1837. Samuel and John went to Ohio in 1835. John and his wife Sarah bought land there in 1836 and sold it in 1844. Henry sold land in Ohio 1836. Since we found the account of Abraham's family in the History of Berks County, Penna." we assume he must have returned to Pennsylvania. We know nothing about Daniel except that he was a clergyman.

Benjamin Tobias, son of John Tobias, married Elizabeth Roth who died in July 1839 leaving him with a family of ten children ranging in age from four to twenty one years. The younger children were "farmed out" among relatives. Mary Ann, age 9, went to live with her sister, Catherine Irwin who was married and lived in Circleville. On December 4th of the same year Benjamin Tobias married Lydia Hittle, the widow of John Hittle. (See marriage contract.) John Hittle had bought land in Walnut Township, Pickaway Co., Ohio in 1832 and had died in November 1833, leaving his wife and eight children, 7 daughters and one son, with a mortgage on the farm. Benjamin Tobias, having sold his farm the month before his second marriage, bought the Hittle farm. On this farm in Walnut Township, now owned by Harry Heffner of Circleville, the old brick outdoore bake oven still stands as a silent reminder of the days gone by. The old bank barn built with hugh walnut beams is still there and will probably stand for another century. Sarah Sunderland of Newton, Ill. has the old dinner bell and the old hand drill used in boring the holes for the wooden pegs in the walnut beams when this barn was built. A daughter, Lavina, was born in 1841 to Benjamin and Lydia Tobias. Benjamin and Lydia bought out shares of the heirs of John Hittle in 1845 46, Benjamin died, intestate, in 1846 and his estate was sold in 1848.

By the time the Tobias family was on the move again, probably by wagon or prairie schooner since there were no railroads west at this time. They headed for Illinois and newer lands. Perhaps Henry, son of John, was the first to go to Tazewell County in Illinois as he sold his land in Ohio as early as 1836. James, son of Benjamin, moved to Gilman, Illinois in 1841. David, son of John Sr. and his family went in 1847, entering Illinois through Clark County where he stayed for a while, and then going on to Washington, Tazewell County, Illinois. Peter was sixty six years old when he arrived at Washington, Illinois, in 1865, probably to be with his children (Franklin, Isaac, Jacob and Samuel) who had gone there earlier. He, too, came thru Clark County where he lived at Marshall, Ill. for a time. Samuel, son of John Sr., a minister, also went west to Illinois. Four sons and one daughter of Benjamin, son of John Sr. (Lewis, Frank, Benjamin, Jr., John Caspar and Susan) arrived in Washington or El Paso, Illinois between the years 1849 and 1855. And from latest information John Jr. also came and settled in northern Illinois.

It is impossible to list every descendant of this early pioneer family as they are scattered throughout the United States and even into Canada.

The name Tobias is a Hebrew biblical word meaning "Jehovah is good". If the family was of Jewish origin, they did not follow the Jewish faith. Our earliest records indicate they were Evangelical or Evangelical United Brethren. Though they lived in the land of the Pennsylvania Dutch they were not Amish or Mennonites. The History of Franklin and Pickaway Counties, Ohio tells us "Emanuel Church (Evangelical) formed about 1832 with the following members, John Tobias and wife, Peter Tobias and wife, John Hittle and wife, Peter Moyer and wife. Meetings were held at the dwellings of members until the church in the S.E. corner of Sec. 28 was built. This was in 1848 "Peter was probably the "Class Leader" as he did a great deal of church work, and it was he who sold the land on which the Emanuel Church was built to the Evangelical Association of the United States.

From the records of the Zion Evangelical United Brethren Church, Washington, Illinois, the following information was obtained. A historical sketch of the church

made in 1910, or shortly thereafter, reveals that the founders of this congregation came from the states of Ohio and Pennsylvania in the year 1851 and settled in or near Washington, Illinois. The first named among them were Jacob Zinser, Louis Tobias, George Ferner Sr., Henry Tobias, Solomon Zinser Sr., David Tobias, Nickeloi Basset and Frank Tobias.

Thus we find the family adhering closely to the Evangelical or the Evangelical United Brethren Church. Some of the family became Methodists or joined the church of the community into which they had moved.

The Tobias Clan who moved their families, from Penna, to Ohio, to Illinois and other points throughout the United States, took not only their families and household goods but also the traditions, customs, wise sayings and recipes of the good folks known as the Pennsylvania Dutch. (Who were really german peoples from the Rhine Valley.) Thus the customs such as, pie for breakfast, quaint sayings and the respect of children for their parents were handed down from generation to generation. Many of us remember from our childhood days, shoo-fly pie, crumb pie, pickled eggs with beets, apple butter and schmear kase, dried apples, hot potato salad, dandelions or lettuce with hot sour dressing, hot slaw, chicken and dumplings and home made bread. Truly the heritage left us by our Pennsylvania Dutch ancestors is a proud and cherished tradition.

Have you ever heard these expressions in your family?
"Don't cry over spilled milk. It is help water anyway."
"Don't cross a bridge until you come to it."
"What can't be cured, must be endured."
"The Sugar is all."
"A woman can throw out more with a teaspoon than a man can bring in with a shovel."

We wish to acknowledge before ending this sketch, the help given to us by Registrar C.C. Hower of North Central College, Naperville, Illinois, in "finding" for us two of the original brothers, John and Samuel. Through his personal efforts he made available to us information from the Evangelical Church Records, the files of the local newspaper, material from the College Library and Alumni records, as well as names and dates obtained from tombstones in the

Naperville Cemetery. He gave us a list of 16 of the Tobias family who were enrolled in North Central College during the 1860's. The information he sent us proved to be the key to some important facts we had obtained from some old letters and which we had been unable to evaluate. Thus we have available the families of John and Samuel, and, as incomplete as it is, information on Daniel. And so we have accounted for the eight brothers. Of the only sister Elizabeth, we know nothing. Daughters in the family are far harder to trace than sons.

We wish also to thank all our distant "cousins" who have answered our inquiries so promptly and with so much interest. If there are any corrections or any additional information which any one reading this book may have, won't you send it to us and from time to time we will issue bulletins containing any additional information we may find, for as you can see, a family history is never complete.

We wish to conclude this history with a typical Pennsylvania Dutch saying copied from a sign at Shartlesville Hotel, in Bern Township in Berks County, which we visited in the summer of 1960 when we were working on this history. It portrays the typical hospitality of the Pennsylvania Dutch. Conscious of the fact that our earliest ancestors lived and died in Bern Township, Berks County, we spent the night at Shartlesville. They greeted us at the hotel, with the old Pennsylvania Dutch hospitality, giving us information on far distant relatives that still live in Bern Township, and feeding us royally on a typical Pennsylvania Dutch supper served on a table covered with a red and white checked tablecloth reminiscent of our childhood days, and sending us on our way with almost a whole shoo-fly pie for fear we might get hungry before we ate again. It was the most heart warming and sincere welcome we have ever received. This is the sign -

Will Book A. pp. 185

In the name of the Holy Trinity, Amen. I, George Tobias in Bern Township, Berks County, I consider the weakness of my body, through sickness which could become better or worse, I have come to the conclusion, not having experienced any lack of sound judgement or reasoning, so I order this to be my last will and testament, as my very last, and to be confirmed by my survivors, in following manner-----

First, I commend my undying soul in the hands of God, who gave it to me, and my body to be put to rest according to Christian manner. And if the above terms are not agreeable, then my third son, George, shall have the option at the named price; and if none of the above named three take the property, then it is my will it shall be sold. The one who takes on this plantation does not need to pay anything the first year, but each following year should pay 20 pounds until the three hundred pounds is fully paid, each payment to be made to the children, first to the oldest and so on to the youngest, and so forth again from the oldest to the youngest until the three hundred is fully paid.

NOTE - There is some confusion of dates here. In the will book A pp.185 written in german script the date both at the top of the will and in the closing paragraph gives the date of Nov. 14, 1880. But in the following notice of intention by his eldest son John, the date of Nov. 14, 1889, is given. It is apparently a question of official copying.

Whereas--My father, George Tobias, late of Bern Twp. in the Co. of Berks deceased did by his last will and testament bearing date the 14th day of November in the year of our Lord, 1789 devise his plantation in the Twp. of aforesaid to me, his son, John for the price of 300 pounds to be paid according to the said will. And whereas my afore mentioned Father did ordain that if I should not be willing to take the plantation aforesaid at the price aforesaid that then my brother William should have the next right to take the same as by the will aforesaid at large may appear. And whereas I have already lived some time upon the place aforesaid with an intention to keep the same and whereas I still have the intention.

Now know all men by these Presents that I, John Tobias, have taken and hereby do take the Plantation aforesaid according to the devise of my said father.

"About 1823 the Evangelical preachers were received by John Tobias, Sr., and his wife Mary Elizabeth, who lived on the Tulpehocken, about six miles from Reading. A great revival began here in this year, and many souls were converted at his house, among whom were his sons, John, Jr. Benjamin, Peter, Abraham, David, Samuel, Daniel and Henry, who in later years became pillars in the church. In 1832 father Tobias removed to a locality six miles north of Circleville, O., where the family again received the preachers and were instrumental in the establishment of a church. Here father Tobias died Aug. 23, 1847, aged seventy-eight years, three months, and fourteen days. His last words were, "I know that my Redeemer liveth." Mother Tobias survived a number of years. In course of time most of the sons removed to Illinois. Samuel entered the ministry in 1826, preached many years in Pennsylvania and Illinois, and died at Naperville, Illinois in 1890. Daniel entered the ministry in 1833 and died the following year while serving Wooster circuit. David was a local preacher. Of grandsons the following entered the ministry; Benjamin Franklin, son of Benjamin, died in the ministry of the Ohio Conference; Simon A. and L.B., sons of John Jr., entered the Illinois Conference, and J.H., a son of Peter, is a prominent member of the Kansas Conference."

From R.B. Leedy, The Evangelical Church in Ohio, p. 483:

"In 1832 John and Mary E. Tobias with their children John T., Jr., Benjamin, Peter, Abraham, David, Samuel, Daniel, and Henry settled one-half mile west of where the church was built. They had become members of the Evangelical Church near Reading, Pa., in 1823."

Footnote to the above:

"From the Tobias family came 8 preachers, one local and 7 active. A son David was a local minister. The active men were 2 sons Samuel and Daniel; four grandsons Franklin R., Simon A., L.B., and J.H. Tobias. Of a still later generation is Thurman H. Tobias, son of photographer Roy T. Tobias, Lancaster, Ohio. Six of these served in Ohio."

The church referred to above in Ohio was the Emanuel Church 3 miles west of Ringgold and 5 or 6 miles northeast of Circleville.

He was a steadfast Preacher at this appointment he served God and Church and was true He was ordained 1865 under Bishop Lang. The last year of his life he couldn't preach often but his love was for the house of God. At his funeral was read his favorite Psalm 4th Psalm verse 9. May the dear Lord bless him, may He, His wife and children meet in heaven.

From Tazelwell News, July 9, 1885.

".....He was a truly good man, fair and reticent and everybody who knew him counted him as their friend. He was a member of the German Evangelical Church.....His funeral procession was one of the largest ever seen in this city." Washington, Illinois

C-4. Peter Tobias

Obituary from the Washington, Illinois newspaper.

Death of Peter Tobias. Died on Thursday, October 23, 1879 at his residence in this city, aged 79 yrs. 11 mo. 2 days. Mr. Peter Tobias whose death we are called upon to chronicle was born in Berks County, Pa. on 21st of Nov. 1799 from whence he removed to Ohio in the summer of 1833, settling in Washington, Illinois in the fall of 1865.

On night of his death he retired to bed apparently in usual health but at 9 o'clock his wife discovered that he was in much suffering and summoned assistance. In a few hours afterwards he breathed his last, and his worn spirit took its flight. The immediate cause of his demise was a stroke of paralysis.

Mr. Tobias for some 50 years was an exemplary member of the Evangelical Church and for a number of years was Class Leader. He leaves a wife and 10 children to mourn his loss. Funeral took place from German Evangelical Church of our city last Sunday morning at half past 10 o'clock, the pastor Rev. Wm Mertz officiating in German and English.

DIRECTIONS

Epler Cemetery in Berks County, Penna is about six miles West of Reading.

To the old Benj. Tobias (1794-1846) farm in Ohio----
Go northeast of Circleville, Ohio on Route 188 until you come to the Bells Station - Fairfield Road (marked with a sign). Turn left and go 1.7 miles. The old farm is on the left. The buildings are up in the field, at the end of a lane. The old house burned several years ago but the old original bank barn was still standing in 1959. There was an interesting old brick outdoor oven which we saw when we visited there in 1951.

To the old Cemetery where Benj. Tobias and Elizabeth Roth Tobias (his wife) are supposed to be buried. ---The same directions as to go to the old Tobias farm except instead of turning left at the Bells Station - Fairfield Road, turn right and go .08 of a mile. The Cemetery is on the left hand side of the road. This old cemetery is abandoned, but the weeds and brush had been cut. The few stones that are still visible are nearly illegible, are broken, and have been piled up at the far end. When we visited here in July, 1959, we found none that we could positively identify as a stone bearing the Tobias name, so the graves are apparently lost. Denny Tobias found the graves when he visited the cemetery in 1925 and left pictures of the stones. We found the name of Solomon Zinser on one stone. A sister of Solomon Zinser, Dolly Zinser, married Henry Tobias (son of John, Son of George.)
